**Welcome to Uppsala**

**The Student Nations and the International Committee**
A nation is a student organisation that offers everything from interest clubs to choirs, cafes, pubs, restaurants and night clubs, in addition to a variety of events during the semester. Each nation has its own character and originally signified what region of the country one was from. The requirement of connection to the region has however now been discarded and one is able to join whichever nation desired. Please note that your choice of nation or nations should be based on your own preferences and interests; you can almost always take part in any other nation's activities regardless of your choice.

All nations have international secretaries whom you may contact for help in finding activities that suit you, or for any concerns you may have. The international secretaries of all nations come together in the International Committee (Internationella Konventet, IK), which organises various events throughout the semester, e.g. theme dinners, trips, language exchanges, cultural fika, pub nights etc. Check out their Facebook page “International Students of Uppsala University” regularly as well as the nation guide at https://uppsalastudent.com/nationsguiden

**The Orientation Week**
The Orientation Week is comprised by various events, mostly hosted by the nations, to help you get acquainted with Uppsala and everything that the vibrant student life has to offer. It begins with the Welcome Centre at Campus Bläséhus (von Kraemers Allé, entrance 1C) on 17 August (10:00-20:00), 18 August (10:00-20:00) and 19 August (10:00-16:00). The International Committee along with the International Office and Housing Office will be present to help you get oriented.

**Welcome Reception & Welcome Fair**
The Welcome Reception will take place on 23 August from 15:00 at the University Main Building (Biskopsgratan 3), where you will be welcomed by University Vice Chancellor.

The Welcome Fair will be held on 25 August at the University Main Building from 10:30 to 15:00. At the fair you will find representatives from all the student nations, the Student Union and the Student Health Care, along with various other student organisations and you will receive information on what you may get involved with during the semester.

**The Orientation Week Activities**
Each nation has planned events for you during this week to best show you what they have to offer, but the international secretaries through the International Committee have also gathered to host an event on Sunday, 27 August, at 14:00, where you will be able to meet them all and hear more about the semester’s upcoming events!

Some activities may require you to sign up in advance at “inskrivning”, the nation registration. These events are marked with an asterisk (*) in the schedule. Some are free, and some require a small fee either in advance or at the door. Unless else is stated, always bring your temporary nation card along with ID/passport. You can easily get assistance in creating your student internet account. If you don’t have time when the Welcome Centre is open, you can go to the reception desk later at any of the university campuses or Student service to get it set up.

**Your Nation Card (Student ID)**
At the Welcome Centre at Campus Bläséhus, you can collect a free temporary nation card that is valid during the Orientation Week. Please bring a valid photo ID or passport and your university confirmation letter to collect it. After registration at a nation, an official nation card will be issued for you that you will have to present with your passport/ID at the entrance of all nations whenever alcohol is served. The nation card might give you, for example free entrance to the clubs of the nation you choose and discounted lunches etc. From 21 to 25 August, it is possible to collect your temporary nation card at Uppsala Student Union (Övre Slottsgatan 7) instead.

**Student Internet Account**
At the Welcome Centre, you will be able to get assistance in creating your student internet account. If you have time when the Welcome Centre is open, you can go to the reception desk later at any of the university campuses or Student service to get it set up.
