UNIVERSITET

Application summary sheet for the Master's Programme in Medical Research

Personal details

First name	Family name
Application number	

Application checklist

I have read and followed the country-specific requirements, specified at www.universityadmission.se and my application is complete.

I have read and followed the programme-specific instructions for the [Master's Programme in Medical Research](#), specified on the programme page.

I have filled out this document carefully and uploaded this summary sheet and all required supporting documents through www.antagning.se or www.universityadmission.se.

I have not completed my Bachelor's degree at this point but will before the programme starts in August. I have therefore submitted a signed statement stating that I am a currently enrolled student and participating in my last semester of studies.

I have relevant practical/working experience and have uploaded certifying documentation and/or recommendation letter(s).

Education

Bachelor's/Undergraduate degree

Awarding university	Country
Degree	Years of studies
Field of study	
CGPA* in local grading system (if applicable)	CGPA as % of maximum grade (if applicable)
Maximum grade in local grading system	Minimum pass grade in local grading system

Master's/Graduate degree (if any)

Awarding university	Country
Degree	Years of studies
Field of study	
CGPA* in local grading system (if applicable)	CGPA as % of maximum grade (if applicable)
Maximum grade in local grading system	Minimum pass grade in local grading system

*CGPA = Cumulative Grade Point Average

Education (*continued*)

Additional studies (e.g. freestanding courses, doctoral degree/studies etc.)

Required courses

Under each subject, please fill in most relevant courses with “Course name”, “Credits in local scale” and “Grade in local scale” as indicated in the transcript of your studies. Please estimate also the “Credits converted to ECTS credits or hours of studies” using the following formula: One week of full-time studies equals to 40 hours of studies, equals to 1.5 ECTS credits.				
Subject	Course name <i>In case the “Course name” does not clearly indicate the required subject (genetics/cell biology/biochemistry), please also submit the course syllabus with the required subject topics highlighted.</i>	Credits in local scale	Grade in local scale	Credits converted to ECTS credits or hours of studies
Genetics and/or molecular genetics				
Cell biology				

Required courses (continued)

Subject	Course name <i>In case the "Course name" does not clearly indicate the required subject (genetics/cell biology/biochemistry), please also submit the course syllabus with the required subject topics highlighted.</i>	Credits in local scale	Grade in local scale	Credits converted to ECTS credits or hours of studies
Biochemistry				
Other relevant subject courses				

Research project (*if any*)

Please list and describe briefly the research project(s) relevant for the Master's Programme in Medical Research. Maximum 300 words per project, including the project title, duration, as well as name and affiliation of the main supervisor.

Relevant practical/work experience (*if any*)

Please list and describe briefly practical/work experience relevant for the Master's Programme in Medical Research. Maximum 300 words per recruitment, including the affiliation, position title and duration, as well as description of tasks.

IMPORTANT! Please also submit document(s) and/or recommendation letter(s) certifying the experience(s).

Statement of purpose

Please describe your main research interest and why you want to study the Master's Programme in Medical Research at Uppsala University. Maximum 500 words.
