DECOLONIZING RESEARCH METHODOLOGIES
DÉCOLONISER LES MÉTHODOLOGIES DE RECHERCHE

Welcome to a Seminar with Visiting African Researchers on

Rural Resilience and Resistance: Exploring Decolonial Perspectives on Gotland

Thursday 23 October 2025, 15.15-17.00

B51 Äutsikten, Uppsala University, Cramérg. 3, Visby

In October 2025, Uppsala University's Forum for Africa Studies organizes the Third Edition of the Fieldwork Seminar on Decolonizing Research Methodologies with 20 Visiting Researchers from Burkina Faso, Mali, Mozambique, France, Germany, Guinea, Sweden, Tanzania, Tunisia, Bolivia, and Nepal. During their stay in Sweden, they will do fieldwork in four localities of Gotland. In this open seminar, they will share observations, and reflections, drawing on experiences from research in African countries, and beyond.

The *Decolonizing Research Methodologies* is funded by the Swedish Research Council. The 2025 Fieldwork Seminar is also supported by Uppsala Forum on Democracy, Peace and Justice. **Info** here
