
Week 35-38

Generally

- Workplace disposition is presented. **NOTE** marked gathering place only for the Octopus project.
- It is important that everyone respects the barriers that may exist.
- Mobile work platforms will be located in public areas.
- Lifts will be marked with a contact person.

Ongoing work

Work area House 2

Lighting replacement is underway, information has been sent out

Work area House 5

- Work on ventilation on floor K1.
- Replacement of lighting in assembly hall during week 34.

Current disruptions during the period

Suspensions, provisionals

- Planned disruptions and outages will be notified to affected parties.

Influencing work in the long term (preliminary start times)

- When installing new electricity meters at the Ångström Laboratory in 2026, **parts of the buildings will need to be de-energized for periods of up to 4 hours**. Detailed plans will be communicated to affected parts well in advance of planned outages. More information will follow.
