

Application for planning grants to stimulate international collaboration and recruitments, Disciplinary Domain of Medicine and Pharmacy

This planning grant aims to encourage and facilitate increased internationalisation in the field of medicine and pharmacy. The funds can be applied for by those who plan an EU application in the role of coordinator and have expenses related to planning meetings with potential partners, and for inviting Marie Skłodowska Curie Individual Fellowship candidates who wish to apply to the School of Medicine and Pharmacy. Reimbursement is provided for a trip to Uppsala and overnight accommodation to write an application together. The planning grant can also be used to invite prospective international applicants for Wallenberg Academy Fellows.

The grant is awarded retrospectively for the actual costs up to SEK 25,000. Applications and decisions are made on a rolling basis.

Fill in the form and save it. The form must be signed electronically by the applicant and the head of department. It is then sent to Anders Alderborn (anders.alderborn@uu.se).
