

Diane Feuillet

Postdoctoral career

- 2024 – Associate Professor, Uppsala University, Sweden
- 2021 – 2024 Researcher, Lund University, Sweden, 90% Research
- 2019 – 2021 Postdoctoral Fellow, Lund University, Sweden
- 2016 – 2019 Postdoctoral Fellow, Max Planck Institut für Astronomi, Heidelberg, Germany

Qualifications

- Docent: June, 2024, Lund University, Sweden
- PhD in Astronomy: awarded 4 Aug, 2016 from New Mexico State University, USA
 - Dissertation: Ages and Abundances of Local Galactic Stellar Populations
 - Advisor: Dr. Jon Holtzman
- MS in Astronomy: awarded 2014 from New Mexico State University, USA
 - Advisor: Dr. Jon Holtzman
- BA in Astronomy and Physics: awarded 2011 from Whitman College, USA
 - Advisor: Dr. Nathaniel Paust

Student Supervision:

- Christian Sahlholdt, PhD, 2021, Lund University, co-supervisor
- Neige Frankel, PhD, 2020, MPIA, mentor
- Sven Buder, PhD, 2019, MPIA, mentor
- Ditte Slumstrup, PhD, 2019, MPIA, summer project co-supervisor

- Adam Breeck, MS, 2023, Lund University, primary supervisor
- Piia Maria Tomberg, MS, 2021, Lund University, summer project primary supervisor

Student Degree Evaluation, Lund University, Sweden.

- Master: Ivalu Christensen, Piia Maria Tomberg, Markus Strickert, Erik Friden
- Bachelor: Elin Sandvik, Calum MacPherson, Jessica Kocher, Alma Bergström

Postdoc Supervision:

- Danielle de Brito Silva, Uppsala University, 2024 – 2027
- Christian Lehmann, Lund University, 2023 – 2026
- Heitor Ernandes, Lund University, 2022 – 2025

Funding:

- 2023 Crafoord Foundation: Formation of the Milky Way galaxy - catching the extremes
Amount: 200,000 SEK
- 2022 Starting Grant, Swedish Research Council
Feuillet 2022-03274: How did the Milky Way assemble its mass?
Amount: 4,000,000 SEK
- 2020 The Young Researcher Travel Grant, Fysiografen Society, Lund University, Sweden.
Amount: 16,000 SEK
- 2019 The Märta and Eric Holmberg Award, Fysiografen Society, Lund University, Sweden.
Amount: 230,000 SEK
- 2015 A. Scott Murrell Memorial Endowed Scholarship, New Mexico State University, USA.
Award Amount: 200 USD

Professional Service and Leadership:

- 2019 – WHT Enhanced Area Velocity Explorer (WEAVE):
Galactic Archaeology Surveys and Quality Assessment Group
Builder status earned through contributions
- 2019 – Female Astronomer Network Sweden (FANS).
- 2016 – 4-metre Multi-Object Spectroscopic Telescope (4MOST):
Project Culture Working Group, Deputy Galactic Project Science Manager
Survey membership - Milky Way disk, Milky Way halo, Dwarf Galaxies
- 2015 – Journal Referee: Nature Astronomy, MNRAS, ApJ, A&A.
- 2011 – Sloan Digital Sky Survey (SDSS) III, IV, V: APOGEE Architect,
SDSS IV Collaboration Council, Committee On Inclusion in SDSS,
1m Observations Coordinator
- 2023 4MOST Galactic Analysis Pipeline Review Panel.
- 2019 – 2023 Women in Great Science (WINGS), Lund University.
- 2016 – 2019 Gaia-ESO Survey (GES): LUMBA node analysis.
- 2014 – 2016 American Astronomical Society: Chambliss Poster Award Judge.

Professional Development:

- 2023 Beyond Doctoral Supervision - Scholarship and Academic Values, One week course
- 2022 Doctoral Supervision, Two week course
- 2022 Teaching and Learning in Higher Education, Two week course
- 2022 Female Faculty: Why So Few and Why Care?, WINGS Seminar
- 2021 Doctoral Supervision at the Faculty of Science - A Basic Introduction, Two day course
- 2021 Grant Writing, Two day workshop
- 2021 Diversity and Equity in Academia, WINGS Seminar

Public Outreach:

- 2019, 2022 Lund Culture Night
- 2022, 2023 Lund University NMT Days
- 2022 Polhemskol Astronomy Club
- 2022 Knut Lundmark-dagarna
- 2011–2016 Tombaugh Observatory Open House, NMSU
- 2011–2016 Assorted Astronomy Public Events, Las Cruces, NM

Media Coverage:
