## Agneta Yngve

### Personal

Born 1953-01-03

Three daughters, born 1975, 1978 and 1980

### Educational background

Fil kand (BSc) nutrition and chemistry, Lund University Sweden	1975
Fil mag (MSc) nutrition Stockholms Universitet	1996
Master Medical Science Public Health (MPH), Karolinska Institutet	2000
Med Dr (PhD) Medical Nutrition, Karolinska Institutet	2005
Docent (Associate professor) Medical Nutrition, Karolinska Institutet	2008

### Earlier relevant positions

Freelance nutritionist, writer, teacher, consultant	1976-1987
Nutritionist, Stockholm county council, Department of medical nutrition, Huddinge/Karolinska Institutet	1987-1990
Group leader, Unit for public health nutrition (Lecturer 1990, Senior lecturer 2006, Associate professor 2008)	1990 - 2013
Group leader, Department of biosciences and nutrition, Karolinska Inst.	1990 - 2013
Professor, chair, of Nutrition and Health Communication, Oslo and Akershus University College (now OsloMet university)	2009 – 2013
Professor, chair, Nutrition, Culinary Arts and Meal Sciences, Örebro University	2013 – 2016
Professor, chair, Department of Nutrition, dietetics and food studies, Uppsala University	2016 – 2020

### Current position

Professor Emeritus, Department of Nutrition, dietetics and food studies, Uppsala University	2020--
Affiliated Professor, School of Health Sciences, Örebro University	2020--

**Supervision of PhD students*****Main supervisor for***

1. Beheshteh Olang 2011, Aspects of feeding patterns in the first two years of life in Iranian infants – Karolinska Institutet, finished in February 2011
2. Mohamed Ali Atiya Polyamines in food and human milk – Karolinska Institutet, finished in December 2011
3. Susanna Kugelberg  
Public Health Nutrition in Europe: Workforce development and policy change – Karolinska Institutet, finished in January 2013
4. Ali Soroush  
A 6 month physical activity intervention in university Staff: effectiveness and health outcomes – the ASUKI step study – Karolinska Institutet, finished in September 2013
5. Bente Nilsen  
Studies of somatic growth and deviant growth patterns such as weight loss and obesity and aspects of intake of breakfast and food items – Örebro University, finished in March 2018
6. Henrik Scander – studying combinations of food and drink in the Swedish diet and in relation to the New Nordic Diet (looking at energy intake from food vs drink and combinations) – Örebro Universitet, finished September 20, 2019

***Co-supervisor for***

1. Yulan Lin  
Dietary phytoestrogens and esophageal cancer – Karolinska Institutet, finished in December 2013
2. Jenny Rossen  
Support for physical activity in individuals with prediabetes and type 2 diabetes in primary care- the Sophia Step Study, Karolinska Institutet, finished in October 2018

**Doctoral Examination board representation**

1. Tarrant, Roslyn (2008). An investigation of the diets of infants born in Ireland during the first six months of life. Dissertation for PhD at Dublin Institute of Technology. Member of Examination Board.
2. Vasco, Catalina (2009). *Phenolic compounds in Ecuadorian fruits*. Dissertation for PhD in Agriculture and Food Science. SLU Uppsala. Member of Examination board.
3. Ericson, Ulrika (2010) Folate – associations with breast cancer depending on intake, metabolism, genetic variation and estrogen receptor status. Dissertation for PhD in public health sciences with a major in nutritional epidemiology. University of Lund. Member of Examination board.
4. Lachat, Carl, (2011) Eating out as a lifestyle driver of dietary intake : situation and policy options. Dissertation for PhD in Agriculture & Food Science. University Ghent. Member of examination board.
5. Virta, Lena, (2013) The Complexity of Shoulder Pain. A cross-disciplinary thesis focusing on physiotherapy, patients, and health economy. Dissertation for PhD in physiotherapy. Oslo University. Member of examination board (2<sup>nd</sup> opponent).
6. Mohsen Besharat Pour (2015) Body Mass Index, Nutrition an Parental Migration: from Birth to Adolescence. Dissertation 11<sup>th</sup> June 2015, Karolinska Institutet. Opponent.
7. Naroa Kajarabille García. (2015) The effect of maternal DHA supplementation during pregnancy and lactation on oxidative stress and bone remodeling in mothers and neonates. Dissertation 3rd Dec 2015, University of Granada. Member of Tribunal.
8. Pernilla Sandvik, (2017) Rye Bread in Sweden. Health related and sensory qualities, consumer perceptions and consumption patterns. Dissertation 28<sup>th</sup> April 2017, Uppsala University. Chair of examination board.

Phone: +46 (0)70 5506557

8. Christine Törris, (2017) Lean fish consumption is associated with decreased risk of metabolic syndrome - Results from a large population-based study. 1<sup>st</sup> opponent, dissertation 23<sup>rd</sup> August 2017, Oslo University.
9. Zayed Alsharari, (2017) Dietary Intake, Fatty Acid Biomarkers and Abdominal Obesity – population based observational studies. Chair, examination board, dissertation 25<sup>th</sup> September 2017, Uppsala University, Faculty of medicine.
10. Malin Skinnars Josefsson (2018) Food Service and Nutritional Care in Swedish Elderly Care. Chair, examination board. Uppsala University, Faculty of Social Sciences, Department of Food studies, nutrition and dietetics.
11. Olga E Titova (2019) Metabolic Health and Cognitive Function – the Roles of Lifestyle and Shift Work. Examination Board member. Uppsala University, Faculty of Medicine, Department of Neuroscience, Functional Pharmacology. March 7<sup>th</sup> 2019.
12. Nils Abel Aars (2021) Physical Activity and Body Composition in Norwegian Adolescents. 1<sup>st</sup> Opponent. The Arctic University of Norway UIT. Feb 4<sup>th</sup> 2021.
13. Helena Manousos (2021) Member of examination board. Göteborgs Universitet, May 7<sup>th</sup> 2021.
14. Ingeborg Skogen (2023) Opponent 2. Volda Högskole, Norge. Disputation Feb 3<sup>rd</sup> 2023.

## Selection of honorary appointments/memberships

### *Ongoing*

#### International

- International representative in the A3ES review board of dietetics and nutrition training programmes in Portugal 2012-
- Evaluating research proposals for Cyprus Research and Innovation Foundation 2020-

#### National

- Member of the Board of Medical Ethics, Uppsala, Sweden 2014-
- Evaluation of applications to FORTE, Swedish Research Council for Health, Working life and Welfare, member of Public Health expert group 2024-
- Assessing quality of proposed Master programme in Public Health, Mälardalen University, Sweden 2024-
- Senior member of the Swedish Academy of Culinary Arts and Sciences 2023-
- Evaluator for the Swedish Council for Higher Education 2023-

### *Completed*

#### International

- Evaluation of promotion to Professor, American Univ of Madaba, Jordan 2024-2024
- Member of evaluation committee of university training Programme in Cyprus 2023-2024
- Reviewer for Horizon project Biocycle, for HADEA, European Commission 2023-2023
- Chair, evaluation committee assessing university public health training in Lithuania 2023-2023
- Evaluation of promotion to professor, American University of Madaba Jordan 2023-2023
- Evaluation of promotion to professor, Volda University College, Norway 2023-2023

Phone: +46 (0)70 5506557

- Evaluating proposals to the HORIZON-HLTH-2022-DISEASE-06-two-stage 2022-2022
- Evaluation of promotion to professor, The Hashemite University, Jordan 2022-2022
- Evaluation of promotion to professor, American University of Madaba in Jordan 2021-2021
- Evaluation of promotion to professor, University of Sharjah, UAE 2020-2020
- Evaluation of research grant proposals, Norwegian Research Council 2020-2020
- Evaluation of promotion to professor, Oslo Metropol University 2020-2020
- Monitor, STOP-project, H2020, European Commission 2019-2020
- Member of the Scientific Programme Committee for the Nordic Nutrition Conference  
In Helsinki 8-11 June 2020 – Human Nutritional Sciences,  
Multidisciplinary Insights and Solutions 2018-2020
- Evaluation of Master Programme in nutrition at Limassol College,  
Cyprus Agency for Quality Assurance and Accreditation in Higher Education 2019-2019
- Coordinator of the Commensality Research Network, Uppsala University 2017-2018
- Evaluating applications to the EU H2020 autumn 2017 and spring 2018 2017-2018
- Adjunct Professor, Arizona State University 2010-2018
- Member of external evaluation committee, Faculty of Life Sciences, Univ of Vienna 2018-2018
- International Internal evaluator, NUTRISEA project, coordinatation Ghent University 2016-2018
- Coordinator of International Commission for External Review of the Evaluation  
System for Public Higher Education Institutions in Iceland 2017- 2017
- Expert in the Nordic Nutrition Recommendation review team 2010- 2014
- Member of editorial board Food and Nutrition Research 2014- 2014
- Partner, Toy Box project, EU DG RESEARCH 2010- 2014
- Deputy Editor, Public Health Nutrition, Cambridge University Press  
And the Nutrition Society (UK) 2013- 2013
- Editor-in-chief Public Health Nutrition, Cambridge University Press  
And the Nutrition Society (UK) 2006- 2012
- Founding Council member World Public Health Nutrition Association 2008- 2012
- Co-ordinator for the project PRO GREENS, with the aim  
To increase fruit and vegetable consumption in children (EU DG SANCO) 2008- 2011
- Scientific committee, Nordic Nutrition Conference June 2012 2011- 2012
- Scientific committee, European childhood obesity group congress, November 2010 2010-2010
- Swedish co-ordinator for the WHO project Childhood Obesity  
Surveillance in WHO European Region 2008-2010
- Partner in the project HOPE with the aim of investigating policy  
interventions to counteract obesity in Europe (EU DG Research) 2007-2009
- Temporary advisor WHO Europe, Overweight prevalence 2006-2007
- Co-ordinator for the project JOBNUT, investigating The Labour market for  
public health nutritionists in Europe (EU DG Education and Culture) 2006-2008
- Coordinator for the project PHETICE (EU DG SANCO), with the aim of  
Co-ordinating Public Health Training programmes in the EU 2005-2008
- Work package leader Pro Children (Eu DG RESEARCH), fruit and  
vegetable intake among children in Europe responsible for cross-sectional study 2003-2005
- Co-ordinator for the project EUNUTNET, (EU DG SANCO),  
With the task to co-ordinate a European Network in Public Health Nutrition 2003-2007
- Swedish Steering Group Representative and Partner in the  
European Breastfeeding promotion project (EU DG SANCO) 2002-2005
- Swedish Centre within the DAFNE project (EU DG SANCO) 2002-2004
- Director WHO Collaborating Centre in Public Health Nutrition  
(WHO Euro) at The Department of Medical Nutrition, Karolinska Institutet. 1996-2000
- Co-ordinator for the development of a European Master's

## Successful applications for funding:

I have received funding from the European Commission, Directorate General Health and Consumer at a number of occasions as coordinator for the projects:

A European Master Programme 1997	100 000 €
and 1998	100 000 €
A European Network for Public Health Nutrition 2000:	197 000 €
Monitoring of public health nutrition 2003:	800 880 €
Network for Public Health nutrition, monitoring, education and intervention 2003:	224 686 €
PHETICE 2004:	1 989 306 €
PRO GREENS 2008:	700 000 €
And from DG Education and Culture for coordinating the project JOB NUT	268 354 €
Furthermore, as internal evaluating partner in the FOOD project DG SANCO	77 760 €
as expert and working party member in the EURODIET project 1999-2001	15 000 €
as steering group member in the EU Breastfeeding promotion project DG SANCO 2002	80 000 €

From DG RESEARCH: WP leader and partner in the Pro Children project	100 000 €,
HOPE project WP leader	100 000 €
the ToyBox project collaborator	80 000 €.

From FAS	150 000 SEK
for Overweight surveillance in the WHO Childhood Obesity Surveillance Initiative 2008	
From the Karolinska Institutet Administration for running ASUKI step project 2008	1 500 000 SEK

From Gustav V and Queen Viktoria's Free Mason Research fund:	2013	150 000 SEK
for the Sophia Step Study, intervening with physical activity on diabetics	2014	200 000 SEK
	2015	200 000 SEK
	2016	200 000 SEK
	2017	200 000 SEK

From The Disciplinary Domain of Humanities and Social Sciences, UU,	2017	200 000 SEK
	2018	200 000 SEK

Furthermore, several scholarships have been successfully received during the last 20 years or so: among those from Edith & Erik Fernströms Stiftelse	25 000 SEK
Lars Salvius kopieringsstiftelse	25 000 SEK
Solstickan stipendiefond	150 000 SEK

### STOCKHOLMS LÄNS LANDSTING

Several million SEK were also successfully applied for from Stockholm County Council, For projects related vegetarian food as treatment, health promotion through diet and Physical activity, for a Resource center within the Stockholm County Council related To Public Health Nutrition. Applied successfully together with colleagues from the Unit for Preventive Nutrition. For the years 1994-2003. >30 000 000 SEK

Support for the organization Women Can (KvinnorKan) activities from the governmental body "Ungdomsstyrelsen" for several years administration costs

Support for the Swedish Academy for Culinary Arts and Meal Sciences' (Måltidsakademien) activities from Jakob Wallenberg's Special foundation 500 000 SEK
