The Ministers for Nordic Co-operation (MR-SAM) have decided that the Nordic Council of Ministers will co-operate with civil society in the Nordic Region to a greater extent in its work relating to the Our Vision 2030 programme and the action plan for 2021-2024. Consequently, both a Nordic network for involving civil society organisations and a procedure for public consultations are being established to increase the opportunities for input from civil society, business and industry, and other stakeholders in the Nordic Region in respect of the Nordic Council of Ministers' efforts to implement Our Vision 2030.
