*Mats Larhed*

Reports that many evaluations will be conducted in 2024.

- [KoF24 Medfarm](#)
- KoF24 Research Infrastructure
- KoF24 Multidisciplinary and Interdisciplinary Sciences
- SciLifeLab evaluation by the International Advisory Board
- SciLifeLab evaluation by the International Evaluation Committee
- National evaluation by the Swedish Research Council of medical and pharmaceutical basic sciences. The first informational meeting is scheduled for March 15, and the results will be presented early next year.

Announces that this year's Göran Gustafsson symposium will be held in collaboration with U-FOLD and is titled [Facing the Challenges of Addiction](#). The event will take place at the University Main Building on 9 April, from 13:00 to 17:00. Admission is free but pre-registration is required.

### **Legislative Proposal and investigation**

*Karin Forsberg Nilsson*

Announces that the national Clinical Education Coordinator, Hans Wiklund, has submitted his conclusions from the Clinical Education Investigation for the nursing programmes to the government. The proposals are now out for consultation.

Bertil Lindahl is in the final phase of the investigation of the ALF agreement; the results are due by 29 February 2024.

### **Honorary doctors 2025**

*Karin Forsberg Nilsson*

States that it is time to start considering nominations for honorary doctors for 2025. Suggestions will be prepared during the spring and presented at the faculty meeting in June. The decision on which candidates to appoint will then be made at the faculty

meeting in September. It is also appropriate to start thinking about suitable candidates for the upcoming years, especially for Uppsala University's 550th anniversary in 2027, when a greater number of honorary doctors than usual will be appointed.

**National Center for Disaster Psychiatry (KcKp)**

*Filip Arnberg*

A small centre that has had a significant impact through academia into society. It is located at the Department of Medical Sciences and operates in collaboration with the Psychiatry Division at Uppsala University Hospital. Filip announces that they wish to engage with more contexts and are interested in additional collaborative partners. For more information, [visit KcKp](#).

**Swedish Collegium for Advanced Study (SCAS)**

*Christina Garsten*

An institute for advanced studies modelled on the Princeton Institute for Advanced Study. It offers visiting scholar programmes in thematic and curiosity-driven research. Read more here [SCAS](#).

**Introduction of new professors**

[Dag Nyholm](#) – Professor of Neurology

[Peter Thelin-Schmidt](#) – Professor of Medical Gastroenterology and Hepatology

**Announcement of the Viking Olof Björk Scholarship 2023 and lecture by the awardee**

*Bengt Gerdin, [Alexandra Teleki](#)*

**Next meeting**

Thursday 13 June, 2024 followed by a summer dinner.
